

## A Raritie in Nature.

**S**URPASSING all Prodigies, and strange Births that ever were seen, more admired by the Learned than any sort of Creature that ever was brought to England, whose Body is of different Colours, part white, part brown and more, part Hairy like a Sape, with admirable artificial wings out, that no reason can be given for. This Maid is about 16 years of age, of a comely Countenance, proportionable Body, hath an excellent head of Hair, speaketh good English, is Ingenious, and Modest. Any particular Company may see her at any hour of the day in Bell-Savage Yard on Ludgate Hill, London.

God save the KING.

## Une Rareté en la Nature, viz.

**U**NE Fille tres Admirable, elle est belle,agée de teize ans, son visage, Col, manes, Bras, & mains, sont de Couleur Blanche, merques de beaucoup de taches naturelles, les jombs, & pieds toutes de mesmes, le rest du Corps est de divers Coleurs, avec des Excreescenes fort estranges on n'a jamais veue une telle. L'on la voit en toutes heures du jour dans Bell-Savage-Yard on Ludgate-Hill, London.

VIVAT REX:
